**To whom it may concerns:**

I am on behave of President of AATSEA, would like to inform you that AATSEA was performed in 9 March 2011 and officially approval on 17 April 2012. We are in a group of Scientists in Southeast Asia which leading by Associate Professor Dr. Kasem Soyong who works at Faculty of Agricultural Technology, King Mongkut's Institute of Technology Ladkrabang (KMITL), Ladkrabang, Bangkok, Thailand. ATTSEA is non-profitable organization which organizes internationally recognized research journal in all aspects of Agricultural Technology and related fields. ATTSEA is active in a variety of training programs for Agricultural Technology, especially Organic Agriculture and Bio-energy. Researchers include the on-site and visiting scientists among members' laboratory and field work. Current projects include environmental friendly research for Organic Agriculture to meet world standard.

One of our policy is to organize the International Conference namely the International Conference on Integration of Science and Technology for Sustainable Development (ICIST) where we organized the 1<sup>st</sup> and 2<sup>nd</sup> ICIST 2013, 2014 in Thailand, 3<sup>rd</sup> ICIST 2014 in Laos, 4<sup>rd</sup> ICIST 2015 in Vietnam.

This year we would like to request you to approve AATSEA to organize the 5<sup>th</sup> ICIST 2016 in Myanmar in 26-27 November 2016. The theme of conference will be as **“Water conservation, Biological Diversity, Food and Agriculture”**.

We expect our participants will come from many countries approximately 18 countries with about 200 participants. The 5<sup>th</sup> ICIST 2016 will be held at Cherry Queen Hotel, Shan State, Myanmar.

I would like to thanks for your kindly consideration on my request to be co-organizer and collaborated this conference successfully organization.

I am looking forward to hear from you.

Yours Respectfully,

Assoc. Prof. Dr. Kasem Soyong

President, AATSEA
